COI by Interest

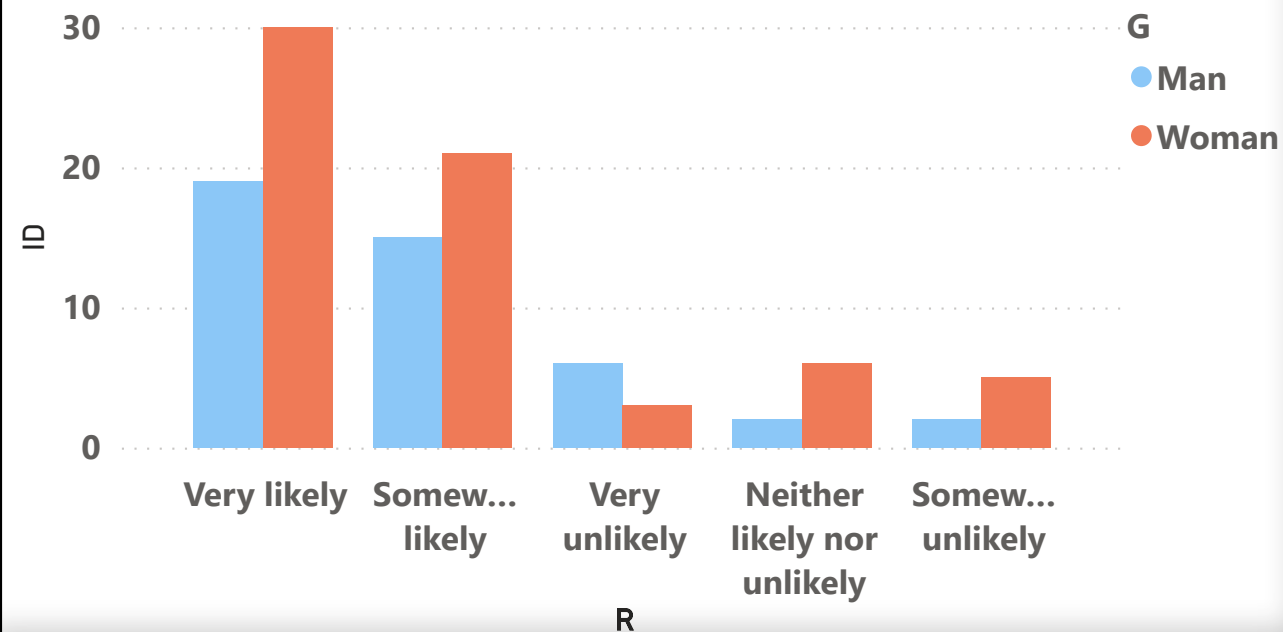

COS by Salary Range

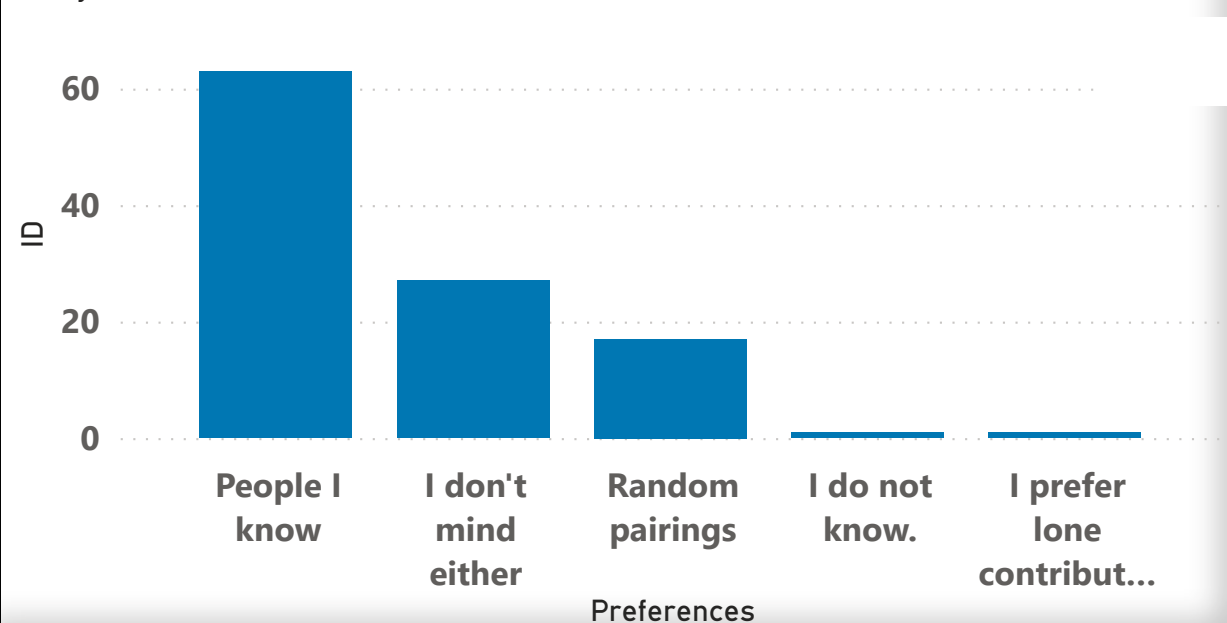

RECOMMENDATIONS/LOYALTY

ID by R and G

ID by Preferences

Challenges/Experiences

Amounts up for contribution are too high and you cannot keep up

Breach of Trust, when contributors renege on payment when it's my turn

Defaulting by one member

Disagreements over who to receive the first disbursement

E no make sense

How secure is it ?

I can use a bank

I don't really have any problems with this..

I have never tried

I just don't fancy it.

Inconsistent contributors
